## About Our M.M.M. Program

- Our Goals---Enhance early childhood education through:
  - *Developing a student-centered focus*
  - *Increase dialogue, communications, and partnerships between schools and families and our pre-K partners*
  - *Increase understanding of child development among all stakeholders*
  - *Develop an effective literacy focus*
- Provide literacy opportunities for students in our community
- The Mini Mighty Mustang program was developed through grants
- Offers various literacy events for students and parents
- FREE Early Childhood Literacy Packets Mailed Home
- Built a partnership with WQED / PBS Kids
- LH High School Students Mentor Pre-K students

- The program supports our early childhood centers as much as possible
