

We are moving to an online format for our students during the current school closure starting April 1st.

We hope this document finds you and your families safe and healthy during this unprecedented time. Even though this is a difficult time for many of us, we will definitely overcome this situation stronger and better than ever. Unfortunately, PA schools will be closed for 4 weeks without any type of instruction. As such, we have prepared ***a temporary Continuity of Education plan for our district.*** These efforts are to ensure that every student receives the required minimum number of days/hours to be credited for a completed school year. With that said, here is our timeline:

Thurs., March 26 - 30	Act 80 Days - Staff Prepares for Online Learning
Wed., April 1	Online Learning for Students Begins

- Our teachers will be reaching out to your children (via email, Google Classroom, DOJO, REMIND, etc.) on or before April 1st to communicate moving to virtual learning.
- The 3rd nine weeks will come to an end on Friday, April 3.
- The 4th nine weeks will begin on Monday, April 6.
- We prepared a “Frequently Asked Questions” document below.
